Notes:

High School Completion Rate is the percentage of students in the grade 10 cohort who have completed high school within 3, 4 or 5 years, adjusted for attrition (loss of students due to mortality and migration)

High school completion is defined as:

1. receiving an Alberta high school diploma, certificate of high school achievement (K&E), certificate of achievement (IOP) or high school equivalency,
2. entering a post-secondary level program at an Alberta post-secondary institution,
3. registering in an Alberta apprenticeship program (not including high school apprenticeship programs such as RAP),
4. or earning credit in five grade 12 level courses, including four diploma examination courses
