To All Publishers, Producers and Distributors

Re: Communication about Posted Calls for Resources (CFRs)

For several years, Alberta Education has sent letters to publishers, producers and distributors to inform them about the posting of new calls for resources, calls for proposals or requests for proposals.

We wish to let you know that, starting October 1, 2006, we will discontinue this procedure and rely on publishers', producers' and distributors' regular consultation of Alberta Education's Web site to find out about any newly posted CFRs. To access information related to these CFRs, please go to Alberta Education's Web site at <http://www.education.gov.ab.ca/k_12/curriculum/ResDev.asp>, under "[Calls for Resources / Calls for Proposals / Requests for Proposals](#)" in the "Open Calls" section.

We plan to post a number of CFRs in the near future; therefore, we encourage you to refer to our Web site regularly.
