

## **COURSE CTR3010: PREPARING FOR CHANGE**

**Level:** Advanced

**Prerequisite:** CTR1010 Job Preparation

**Description:** Students develop knowledge and skills relating to the changing labour market, and relate these changes to analyzing and refining personal career plans.

**Outcomes:** The student will:

- 1. analyze the role of government and labour unions in relation to employers and employees**
- 2. gather and analyze appropriate labour market information related to selected occupations and incorporate the findings into a personal career plan**
- 3. demonstrate basic competencies**
