

Exchanging Worlds

Student Exchange Program

we explore
explorer

Studying French, German, Japanese or Spanish?

Challenge yourself to an intensive living and learning experience beyond the classroom.

Develop your language skills | Meet teens from other places around the world | Live and go to school in another culture Prepare yourself for the international workplace | Expand your personal boundaries | Try something new and different Have a life changing experience

See your language teacher for further details or visit our website at:

www.education.alberta.ca

Under students, click on international education and student exchange | Deadline: End of February
