GRADE 7: Canada: Origins, Histories and Movement of Peoples

OVERVIEW

Grade 7 students will explore the origins, histories and movement of peoples who forged the foundations of Canadian Confederation. They will examine how the political, demographic, economic and social changes that have occurred since Confederation have influenced ways in which contemporary Canada has evolved.

RATIONALE

Through an examination of events preceding and following Confederation, Grade 7 students will acquire an understanding of how Canada has evolved into a multicultural, bilingual, pluralistic and diverse society; and they will appreciate how these dimensions of Canada have affected citizenship and identity over time.

TERMS AND CONCEPTS

assimilation, colony, demographics, Great Deportation, immigration, imperialism, migration, National Policy, settlement, Treaty of Paris, urbanization

Social Participation as a Democratic Practice

| cooperation, conflict resolution and consensus building | demonstrate leadership in groups, where appropriate, to achieve consensus and resolve conflicts peacefully and equitably |
| age-appropriate behaviour for social involvement      | develop leadership skills by assuming specific roles and responsibilities in organizations, projects and events within the community |

Research for Deliberative Inquiry

| research and information | reflect on changes of perspective or opinion based on information gathered and research conducted |

Communication

| oral, written and visual literacy | communicate in a persuasive and engaging manner through speeches, multimedia presentations and written and oral reports, taking particular audiences and purposes into consideration |
| media literacy                  | examine techniques used to enhance the authority and authenticity of media messages |
7.1 Toward Confederation

General Outcome

Students will demonstrate an understanding and appreciation of the distinct roles of, and the relationships among, the Aboriginal, French and British peoples in forging the foundations of Canadian Confederation.

Specific Outcomes

❖ Values and Attitudes

Students will:

7.1.1 appreciate the influence of diverse Aboriginal, French and British peoples on events leading to Confederation (C, I, TCC)

7.1.2 appreciate the challenges of co-existence among peoples (C, CC, I, LPP)

❖ Knowledge and Understanding

Students will:

7.1.3 compare and contrast diverse social and economic structures within the societies of Aboriginal, French and British peoples in pre-Confederation Canada by exploring and reflecting upon the following questions and issues:

- What were the different ways in which Aboriginal societies were structured (i.e., Iroquois Confederacy, Ojibwa, Mi’kmaq) (CC, I, LPP)
- How did the structures of Aboriginal societies affect decision making in each society (i.e., role and status of women, consensus building) (CC, TCC, PADM)
- What were the social and economic factors of European imperialism? (CC, I, TCC)
- In what ways did European imperialism impact the social and economic structures of Aboriginal societies? (ER, GC, PADM, TCC)
- How was European imperialism responsible for the development of Acadia, New France and British settlements? (I, GC, PADM)
- Who were the key figures in the French exploration and settlement of North America? (CC, LPP, TCC)
- What roles did the Royal Government and the Catholic Church play in the social structure of New France (i.e., governor, intendant, Jesuits, religious congregations)? (ER, GC, PADM, LPP)
- Who were the key figures in the British exploration and settlement of North America? (CC, LPP, TCC)
- What role did the British government play in the settlement of North America? (PADM, ER, LPP, GC)

7.1.4 assess, critically, the economic competition related to the control of the North American fur trade by exploring and reflecting upon the following questions and issues:

- How did the First Nations, French, British and Métis peoples interact with each other as participants in the fur trade? (TCC, ER, LPP)
- How did the fur trade contribute to the foundations of the economy in North America? (ER, LPP, TCC)
• How was Britain’s interest in the fur trade different from that of New France? (TCC, ER, GC)
• How was economic development in New France impacted by the changing policies of the French Royal Government? (PADM, ER, GC, TCC)
• What was the role of mercantilism before and after the 1763 Treaty of Paris? (ER, TCC)

7.1.5 **assess, critically, the political competition between the French and the British in attempting to control North America by exploring and reflecting upon the following questions and issues:**
- How did conflicts between the French and the British in Europe impact North America? (TCC, LPP)
- How did conflicts between the French and the British in Europe become factors in the Great Deportation of the Acadians in 1755? (I, C, LPP, GC)
- To what extent was the Battle of the Plains of Abraham the key event in achieving British control over North America? (TCC, LPP, GC)
- How was British North America impacted by rebellion in the 13 colonies and by the subsequent Loyalist migration? (LPP, ER, TCC)

7.1.6 **assess, critically, how political, economic and military events contributed to the foundations of Canada by exploring and reflecting upon the following questions and issues:**
- What was the role and intent of Chief Pontiac in controlling British forts? (PADM, TCC)
- How was the Royal Proclamation of 1763 an attempt to achieve compromise between the Aboriginal peoples, the French and the British? (PADM, TCC)
- How did the Québec Act of 1774 contribute to the foundations of Canada as an officially bilingual country? (PADM, TCC)
- What was the role of Chief Tecumseh in the War of 1812? (PADM, TCC)
- How did the War of 1812 contribute to British identity in Canada? (I, LPP, TCC)
- How did the War of 1812 contribute to defining Canada’s political boundaries? (LPP, TCC, I)
- How was the Great Migration of 1815–1850 in Upper Canada and Lower Canada an attempt to confirm British identity in the Province of Canada? (LPP, I, TCC)
- How was the Act of Union of 1840 an attempt to resolve the issues raised by the 1837 and 1838 Rebellions in Lower Canada and Upper Canada? (PADM, LPP, I, TCC)
- To what extent was Confederation an attempt to provide the populations of Québec and Ontario with increased control over their own affairs? (PADM, LPP, TCC)
- To what extent was Confederation an attempt to strengthen the Maritime colonies? (GC, TCC, LPP)
7.2 Following Confederation: Canadian Expansions

General Outcome
Students will demonstrate an understanding and appreciation of how the political, demographic, economic and social changes that have occurred since Confederation have presented challenges and opportunities for individuals and communities.

Specific Outcomes

Values and Attitudes

*Students will:*

7.2.1 recognize the positive and negative aspects of immigration and migration (GC, LPP, C, I)
7.2.2 recognize the positive and negative consequences of political decisions (PADM)
7.2.3 appreciate the challenges that individuals and communities face when confronted with rapid change (I, CC, LPP)

Knowledge and Understanding

*Students will:*

7.2.4 assess, critically, the role, contributions and influence of the Red River Métis on the development of western Canada by exploring and reflecting upon the following questions and issues:

- What factors led to Louis Riel’s emergence as the leader of the Métis? (TCC, PADM, I, CC)
- What similarities and differences exist between the causes of the Red River Resistance in 1869 and the causes of the second Métis uprising in 1885? (TCC, PADM, LPP)
- How did the Government of Canada’s response to the Red River Resistance and the second Métis uprising solidify Canada’s control of the West? (TCC, PADM)
- To what extent were the Red River Resistance and the second Métis uprising means to counter assimilation? (PADM, I, C)
- What were the Métis, First Nations, French and British perspectives on the events that led to the establishment of Manitoba? (TCC, PADM, I, CC)
- How was the creation of Manitoba an attempt to achieve compromise between the Métis, First Nations, French and British peoples? (TCC, PADM, I, LPP)
- To what extent were the *Manitoba Schools Act* and evolving educational legislation in the Northwest Territories attempts to impose a British identity in western Canada? (I, PADM, TCC)

7.2.5 evaluate the impact of Confederation and of subsequent immigration on Canada from 1867 to the First World War by exploring and reflecting upon the following questions and issues:

- What factors led to the purchase of Rupert’s Land in 1869? (TCC, PADM, LPP)
- How did the National Policy determine the economic and demographic aspects of Canadian expansion? (TCC, ER, PADM, LPP)
- How did changing demographics resulting from Clifford Sifton’s immigration policies affect the collective identity of Francophones in communities across western Canada? (I, TCC, PADM)
• How did Asian immigrants contribute to the development of Canada (i.e., Chinese railway workers)? (TCC, CC, LPP)
• In what ways did the building of the Canadian Pacific Railway affect the growth of Canada? (TCC, PADM, ER, LPP)
• What was the role of the North West Mounted Police in the development of western Canada? (PADM, TCC)
• What strategies were used by the government to encourage immigration from Europe? (GC, LPP, TCC)
• What strategies were used by religious communities and missionaries to encourage migration and immigration to western Canada from eastern Canada and the United States? (TCC, LPP, GC)
• What impact did immigration have on Aboriginal peoples and on communities in Canada? (GC, CC, I, TCC)
• How did communities, services and businesses established by Francophones contribute to the overall development of western Canada (i.e., health, education, churches, commerce, politics, journalism, agriculture)? (ER, TCC, CC, PADM)
• How did immigrants from eastern Europe contribute to the development of western Canada (i.e., health, education, churches, commerce, politics, journalism, agriculture)? (CC, ER, TCC, PADM)
• To what extent was agricultural activity a key factor in the population growth of western Canada? (TCC, LPP, ER)
• What factors led to British Columbia’s joining Confederation? (TCC, LPP, PADM)
• What factors led to Prince Edward Island’s joining Confederation? (TCC, LPP, PADM)
• How were the needs of varied populations considered through the creation of Alberta and of Saskatchewan? (LPP, TCC, PADM)
• What were the underlying reasons for the negotiation of the numbered treaties? (C, I, LPP, TCC)

7.2.6 assess, critically, the impacts of social and political changes on individual and collective identities in Canada since 1918 by exploring and reflecting upon the following questions and issues:
• What were the reasons for, and the consequences of, Newfoundland’s joining Confederation? (PADM, TCC, I)
• How did joining Confederation impact the citizens of Newfoundland? (C, I, PADM)
• What are the social and economic effects of the changing roles and images of women in Canadian society (i.e., right to vote, working conditions, changing family structures)? (ER, I)
• What challenges and opportunities have emerged as a result of increases in the Aboriginal population in western Canada? (LPP, CC, C, I)
• How has the Official Languages Act contributed to bilingualism in Canada? (PADM, C, I)
• How have Canadian immigration policies contributed to increased diversity and multiculturalism within the Canadian population? (PADM, GC, C, I)
• What strategies and conditions are needed for the Franco-Albertan community to counter assimilation? (CC, I, PADM)
7.2.7 assess, critically, the impact of urbanization and of technology on individual and collective identities in Canada by exploring and reflecting upon the following questions and issues:

- What impact has increased urbanization had on rural communities in Canada? (LPP, CC)
- How did the emergence of large factories in Canada contribute to the development of Canada’s economy? (ER, PADM)
- In what ways did technological advances contribute to the development of Canada (e.g., aviation, farming equipment, radio transmissions, electronics, multimedia)? (ER, PADM)
- What effects have La Société Radio-Canada (SRC) and the Canadian Broadcasting Corporation (CBC) had on Canadian identity? (I)
SKILLS AND PROCESSES FOR GRADE 7

Alberta Education’s Information and Communication Technology (ICT) curriculum is infused throughout the social studies program of studies. Selected ICT outcomes are suggested throughout the program and are indicated by this symbol ¾.

► DIMENSIONS OF THINKING

Students will:

7.S.1 develop skills of critical thinking and creative thinking:
- determine the validity of information based on context, bias, source, objectivity, evidence and/or reliability to broaden understanding of a topic or an issue
- evaluate, critically, ideas, information and positions from multiple perspectives
- demonstrate the ability to analyze local and current affairs
- re-evaluate personal opinions to broaden understanding of a topic or an issue
- generate creative ideas and strategies in individual and group activities
¾ access diverse viewpoints on particular topics, using appropriate technologies

7.S.2 develop skills of historical thinking:
- analyze historical issues to form or support an opinion
- use historical and community resources to organize the sequence of historical events
- explain the historical contexts of key events of a given time period
- distinguish cause, effect, sequence and correlation in historical events, including the long- and short-term causal relations of events
¾ create a simulation or a model, using technology that permits the making of inferences
¾ identify patterns in organized information

7.S.3 develop skills of geographic thinking:
- construct and interpret maps to broaden understanding of issues, places and peoples of Canada (i.e., elevation, latitude and longitude, population density, waterways)
- use geographic tools, such as geographical information system (GIS) software, to assist in preparing graphs and maps
- interpret historical maps to broaden understanding of historical events
- define geographic challenges and issues that lead to geographic questions
¾ access and operate multimedia applications and technologies from stand-alone and online sources; e.g., GIS

7.S.4 demonstrate skills of decision making and problem solving:
- predict outcomes of decision-making and problem-solving scenarios from multiple perspectives
- propose and apply new ideas and strategies, supported with facts and reasons, to contribute to problem solving and decision making
¾ articulate clearly a plan of action to use technology to solve a problem
¾ identify appropriate materials and tools to use in order to accomplish a plan of action
¾ use networks to brainstorm, plan and share ideas with group members
¾ evaluate choices and progress in problem solving, then redefine the plan of action as necessary
**SOCIAL PARTICIPATION AS A DEMOCRATIC PRACTICE**

*Students will:*

**7.S.5** demonstrate skills of cooperation, conflict resolution and consensus building:
- assume various roles within groups, including roles of leadership where appropriate
- identify and use a variety of strategies to resolve conflicts peacefully and equitably
- consider the needs and perspectives of others

**7.S.6** develop age-appropriate behaviour for social involvement as responsible citizens contributing to their community:
- support and participate in activities and projects that promote the well-being and meet the particular needs of their community

**RESEARCH FOR DELIBERATIVE INQUIRY**

*Students will:*

**7.S.7** apply the research process:
- develop a position that is supported by information gathered through research
- draw conclusions based upon research and evidence
- determine how information serves a variety of purposes and that the accuracy or relevance of information may need verification
- organize and synthesize researched information
- formulate new questions as research progresses
- integrate and synthesize concepts to provide an informed point of view on a research question or an issue
- practise the responsible and ethical use of information and technology
- include and organize references as part of research
- ¾ plan and conduct a search, using a wide variety of electronic sources
- ¾ demonstrate the advanced search skills necessary to limit the number of hits desired for online and offline databases; for example, the use of “and” or “or” between search topics and the choice of appropriate search engines for the topic
- ¾ develop a process to manage volumes of information that can be made available through electronic sources
- ¾ evaluate the relevance of electronically accessed information to a particular topic
- ¾ make connections among related, organized data and assemble various pieces into a unified message
- ¾ refine searches to limit sources to a manageable number
- ¾ analyze and synthesize information to produce an original work

**COMMUNICATION**

*Students will:*

**7.S.8** demonstrate skills of oral, written and visual literacy:
- communicate information in a clear, persuasive and engaging manner, through written and oral means
- use skills of informal debate to persuasively express differing viewpoints regarding an issue
- elicit, clarify and respond appropriately to questions, ideas and multiple points of view in discussions
- listen to others in order to understand their perspectives
• offer reasoned comments related to a topic of discussion
¾ use selected presentation tools to demonstrate connections among various pieces of information

7.S.9 **develop skills of media literacy:**
• analyze the impact of television, the Internet, radio and print media on a particular current affairs issue
• detect bias on issues presented in the media
• examine techniques used to enhance the authority and authenticity of media messages
• examine the values, lifestyles and points of view represented in a media message
¾ identify and distinguish points of view expressed in electronic sources on a particular topic
¾ recognize that information serves different purposes and that data from electronic sources may need to be verified to determine accuracy or relevance for the purpose used

GRADE 8: Historical Worldviews Examined

OVERVIEW

Grade 8 students will examine issues related to contact between societies with differing worldviews. They will explore elements of worldviews and how these views are expressed by people living in different times and in different places. Through this inquiry, students will reflect on their own worldviews and assess the influence that the past has had on the present. Examples will be drawn from Japan, Renaissance Europe and Spanish and Aztec societies.

RATIONALE

Grade 8 students will learn how intercultural contact between societies leads to significant change and alters each society’s worldview.

TERMS AND CONCEPTS

adaptation, contact, expansionist, humanist, imperialism, intercultural, isolation, Renaissance, social structures, society, worldview

8.1 From Isolation to Adaptation: Japan

General Outcome
Through an examination of Japan, students will demonstrate an understanding and appreciation of the ways in which beliefs, values and knowledge shape worldviews and contribute to a society’s isolation or adaptation.

Specific Outcomes

逞Values and Attitudes

Students will:
8.1.1 appreciate the roles of time and geographic location in shaping a society’s worldview (C, I, TCC, LPP)
8.1.2 appreciate how a society’s worldview can foster the choice to remain an isolated society (C, I, TCC)
8.1.3 appreciate how models of governance and decision making reflect a society’s worldview (C, I, TCC, PADM)
8.1.4 appreciate how a society’s worldview shapes individual citizenship and identity (C, I, TCC)

逞Knowledge and Understanding

Students will:
8.1.5 analyze the effects of cultural isolation during the Edo period by exploring and reflecting upon the following questions and issues:
  • In what ways did Japan isolate itself from the rest of the world? (PADM, LPP, CC)
  • How did isolation during the Edo period lead to changes in Japan? (CC, PADM)
  • How did the changes resulting from isolation affect Japan economically, politically and socially during the Edo period? (ER, PADM, CC, I)
  • How did the physical geography of Japan affect its worldview? (LPP, PADM, TCC)
  • How did the shogun use the feudal system and the hierarchical social classes to maintain control of Japan? (PADM, CC)

8.1.6 analyze the effects that rapid adaptation had on traditionally isolated Japan during the Meiji period by exploring and reflecting upon the following questions and issues:
  • What were the motivations for the radical changes in Japan’s model of organization during the Meiji period? (ER, CC, PADM)
  • How did Japan adapt to changes brought on by the transition from feudal to modern models of organization? (CC, TCC, I)
  • How did the changes resulting from adaptation affect Japan economically, politically and socially during the Meiji period? (ER, CC, PADM)
  • In what ways did changes resulting from isolation in the Edo period compare to changes resulting from adaptation in the Meiji period? (CC, TCC, I)
  • What challenges emerged for the Japanese in maintaining traditional cultural aspects of their society while undergoing rapid change? (CC, I, TCC)
8.2 Origins of a Western Worldview: Renaissance Europe

General Outcome
Through an examination of Renaissance Europe, students will demonstrate an understanding and appreciation of how the exchange of ideas and knowledge contributed to shaping the worldview of the Western world.

Specific Outcomes

Values and Attitudes

Students will:
8.2.1 appreciate how Renaissance Europe formed the basis for the worldview of the Western world (C, TCC)
8.2.2 demonstrate a willingness to consider differing beliefs, values and worldviews (C, I)
8.2.3 recognize how beliefs and values are shaped by time, geographic location and societal context (C, TCC, LPP)

Knowledge and Understanding

Students will:
8.2.4 examine, critically, the factors that shaped the worldview evolving in western Europe during the Renaissance by exploring and reflecting upon the following questions and issues:
- What was the Renaissance? (TCC, LPP)
- How did the Renaissance spark the growth and exchange of ideas and knowledge across Europe (i.e., astronomy, mathematics, science, politics, religion, arts)? (TCC, ER, PADM, GC)
- How did the physical geography of Renaissance Europe affect trade and competition among European countries? (LPP, TCC)
- How did increased trade lead to the emergence of powerful city-states (i.e., Florence, Venice, Genoa)? (TCC, CC, ER)
- In what ways did thinkers and philosophers influence society in the development of a humanist worldview during the Renaissance? (GC, I)
- In what ways were the Age of Discovery and the rise of imperialism expressions of an expansionist worldview? (TCC, PADM, LPP)
- In what ways did exploration and intercultural contact during the Renaissance affect the citizenship and identity of Europeans? (C, I, GC, LPP, TCC)
8.3 Worldviews in Conflict: The Spanish and the Aztecs

General Outcome
Through an examination of Spanish and Aztec societies, students will demonstrate an understanding and appreciation of how intercultural contact affects the worldviews of societies.

Specific Outcomes

◆ Values and Attitudes

*Students will:*

- **8.3.1** appreciate how a society’s worldview influences the society’s choices, decisions and interactions with other societies (C, I)
- **8.3.2** appreciate how Aztec and Spanish identities and worldviews were affected by intercultural contact (TCC, GC, I)
- **8.3.3** appreciate and recognize how rapid adaptation can radically change a society’s beliefs, values and knowledge (TCC, GC)

◆ Knowledge and Understanding

*Students will:*

- **8.3.4** assess, critically, how the Aztecs were affected by the Spanish worldview by exploring and reflecting upon the following questions and issues:
  - What were the key elements of the worldview of the Aztec civilization prior to contact with the Spanish? (TCC, I, CC)
  - How did the Aztec civilization’s worldview influence the Aztecs’ choices, decisions and customs? (TCC, CC, PADM)
  - What key elements of Spain’s worldview led to the desire to expand the Spanish empire? (TCC, I, PADM)
  - In what ways did factors such as technology and disease contribute to the dominance of the Spanish over the Aztec civilization? (ER, LPP)
  - To what extent were the divergent worldviews of the Spanish and Aztecs factors in the dominance of one nation over the other? (TCC, CC, GC, PADM)

³⁄₄ identify the appropriate materials and tools to use in order to accomplish a plan of action
³⁄₄ evaluate choices and the progress in problem solving, then redefine the plan of action as appropriate
³⁄₄ use networks to brainstorm, plan and share ideas with group members
SOCIAL PARTICIPATION AS A DEMOCRATIC PRACTICE

Students will:

8.S.5 demonstrate skills of cooperation, conflict resolution and consensus building:
- identify and use a variety of strategies to resolve conflicts peacefully and fairly
- consider the needs and perspectives of others
- demonstrate leadership within groups where appropriate
- access, retrieve and share information from electronic sources, such as common files

8.S.6 develop age-appropriate behaviour for social involvement as responsible citizens contributing to their community:
- volunteer with organizations, projects and activities that ensure the growth and vitality of their community

RESEARCH FOR DELIBERATIVE INQUIRY

Students will:

8.S.7 apply the research process:
- integrate and synthesize concepts to provide an informed point of view on a research question or an issue
- develop a position that is supported by information gathered through research
- draw conclusions based upon research and evidence
- determine how information serves a variety of purposes and that the accuracy or relevance of information may need verification
- organize and synthesize researched information
- formulate new questions as research progresses
- practise the responsible and ethical use of information and technology
- include and organize references as part of research
- plan and conduct a search, using a wide variety of electronic sources
- demonstrate the advanced search skills necessary to limit the number of hits desired for online and offline databases; for example, the use of “and” or “or” between search topics and the choice of appropriate search engines for the topic
- develop a process to manage volumes of information that can be made available through electronic sources
- evaluate the relevance of electronically accessed information to a particular topic
- make connections among related, organized data, and assemble various pieces into a unified message
- refine searches to limit sources to a manageable number
- analyze and synthesize information to create a product
- access and retrieve information through the electronic network
COMMUNICATION

Students will:

8.S.8 demonstrate skills of oral, written and visual literacy:
- communicate in a persuasive and engaging manner through speeches, multimedia presentations and written and oral reports, taking particular audiences and purposes into consideration
- use skills of informal debate to persuasively express differing viewpoints regarding an issue
- elicit, clarify and respond appropriately to questions, ideas and multiple points of view presented in discussions
- offer reasoned comments related to a topic of discussion
- listen to others to understand their points of view

8.S.9 develop skills of media literacy:
- examine techniques used to enhance the authority and authenticity of media messages
- examine the values, lifestyles and points of view represented in a media message
- analyze the impact of television, the Internet, radio and print media on a particular current affairs issue

  § articulate clearly a plan of action to use technology to solve a problem
  § identify the appropriate materials and tools to use in order to accomplish a plan of action
  § evaluate choices and the progress in problem solving, then redefine the plan of action as appropriate
SOCIAL PARTICIPATION AS A DEMOCRATIC PRACTICE

Students will:

9.S.5 demonstrate skills of cooperation, conflict resolution and consensus building:
- demonstrate leadership in groups, where appropriate, to achieve consensus and resolve conflicts peacefully and equitably
- demonstrate a positive attitude regarding the needs and perspectives of others
- access, retrieve and share information from electronic sources, such as common files
- use networks to brainstorm, plan and share ideas with group members

9.S.6 develop age-appropriate behaviour for social involvement as responsible citizens contributing to their community, such as:
- develop leadership skills by assuming specific roles and responsibilities in organizations, projects and events within their community

RESEARCH FOR DELIBERATIVE INQUIRY

Students will:

9.S.7 apply the research process:
- reflect on changes of perspective or opinion based on information gathered and research conducted
- integrate and synthesize concepts to provide an informed point of view on a research question or an issue
- develop a position supported by information gathered during research
- draw conclusions based upon research and evidence
- determine how information serves a variety of purposes and that the accuracy or relevance may need verification
- organize and synthesize researched information
- formulate new questions as research progresses
- practise responsible and ethical use of information and technology
- include and organize references as part of research
- create a plan for an inquiry that includes consideration of time management
- demonstrate the advanced search skills necessary to limit the number of hits desired for online and offline databases; for example, the use of “and” or “or” between search topics and the choice of appropriate search engines for the topic
- develop a process to manage volumes of information that can be made available through electronic sources
- evaluate the relevance of electronically accessed information to a particular topic
- make connections among related, organized data, and assemble various pieces into a unified message
- refine searches to limit sources to a manageable number
- analyze and synthesize information to create a product
COMMUNICATION

Students will:

9.S.8 demonstrate skills of oral, written and visual literacy:
- communicate in a persuasive and engaging manner through speeches, multimedia presentations and written and oral reports, taking particular audiences and purposes into consideration
- use skills of informal debate to persuasively express differing viewpoints regarding an issue
- elicit, clarify and respond appropriately to questions, ideas and diverse points of view presented in discussions
- make reasoned comments relating to the topic of discussion
- listen to others to understand their perspectives

9.S.9 develop skills of media literacy:
- examine techniques used to enhance the authority and authenticity of media messages
- examine the values, lifestyles and points of view represented in a media message
- analyze the impact of television, Internet, radio and print media on a particular current affairs issue
