## True and False Quiz on Golf Course Etiquette

Read each of the following statements and identify whether each is true or false; rewrite each false statement to make it a true statement.

1. It is important to never replace a divot from your own ball.

 T  F

2. If you hit a potentially dangerous shot, you should shout "look out".

 T  F

3. After all golfers have teed off, the one who hit the shortest shot will be the golfer to hit the next shot.

 T  F

4. If your ball lands hard on the green and leaves a ball mark, you should jump on the mark a few times to flatten out the area.

 T  F

5. You should gather around the flag and record your scores, after all golfers have putt.

 T  F

6. If your golf ball lands in an area marked "ground under repair", you can move the ball one club length and drop it.

 T  F

7. If 3 golfers are on the green, and one is in a sand trap, the golfer in the trap always hits before anyone else putts.

 T  F

8. If you swing at the ball and miss, there is no stroke counted.

 T  F

9. The first person to tee off should be the person with the lowest score from the previous hole.

 T  F

10. While a fellow golfer is preparing to swing, distracting noises should be avoided.

 T  F
