- Game: Students must prepare for and teach a game to the rest of the students after the warmup. If students choose, they can combine with the "Warmup" person and create a game that warms up the muscles and then do the stretching routine together. Students must have the game approved by the teacher in order to ensure that it is safe and appropriate.

- Tournament Chair: this person is responsible for monitoring the ladder after each game is played. It is an expectation that this student will play in the tournament as well.
