Opportunities to explore and make new friends

You will find that Alberta's cities and towns are modern, safe and clean.

You will have access to the best in health care.

You will be delighted by the many different ethnic and religious communities that make up our province.

You will be able to join your friends and classmates in sports and recreation activities throughout the year.

An exciting educational journey

A high quality curriculum and programs of study will help you prepare for the future.

The core program consists of English or French studies along with Mathematics, Social Studies and Science.

You will have opportunities to explore personal interests in courses like music, drama or art and participate in after-school sports and other activities such as photography and debating clubs.

Classrooms are equipped with interactive technologies to enrich your learning experiences.

Taking classes in English as a Second Language will improve your oral and written communication skills and lead to greater success now and in the future.

Many schools have clubs where you and other international students can meet, share your experiences and enjoy time together.

We encourage you to share your own culture and customs and to learn about ours.

► Internationally, Alberta students are at the top in math, reading and science.

► English language classes help international students adjust to life in Alberta and participate fully in school and community life.

Comfort and support while you live and study in Alberta

Carefully selected and supervised homestay families will ensure your continued comfort and security.

You will have your own bedroom, use of the family home and excellent meals.

Parental guidance and support will help you adjust to your new surroundings.

- ▶ **Teachers and other school staff help students overcome any problems they may encounter.**

Apply now to study in Alberta

Alberta has created school authorities to oversee the education of students living in our cities and towns.

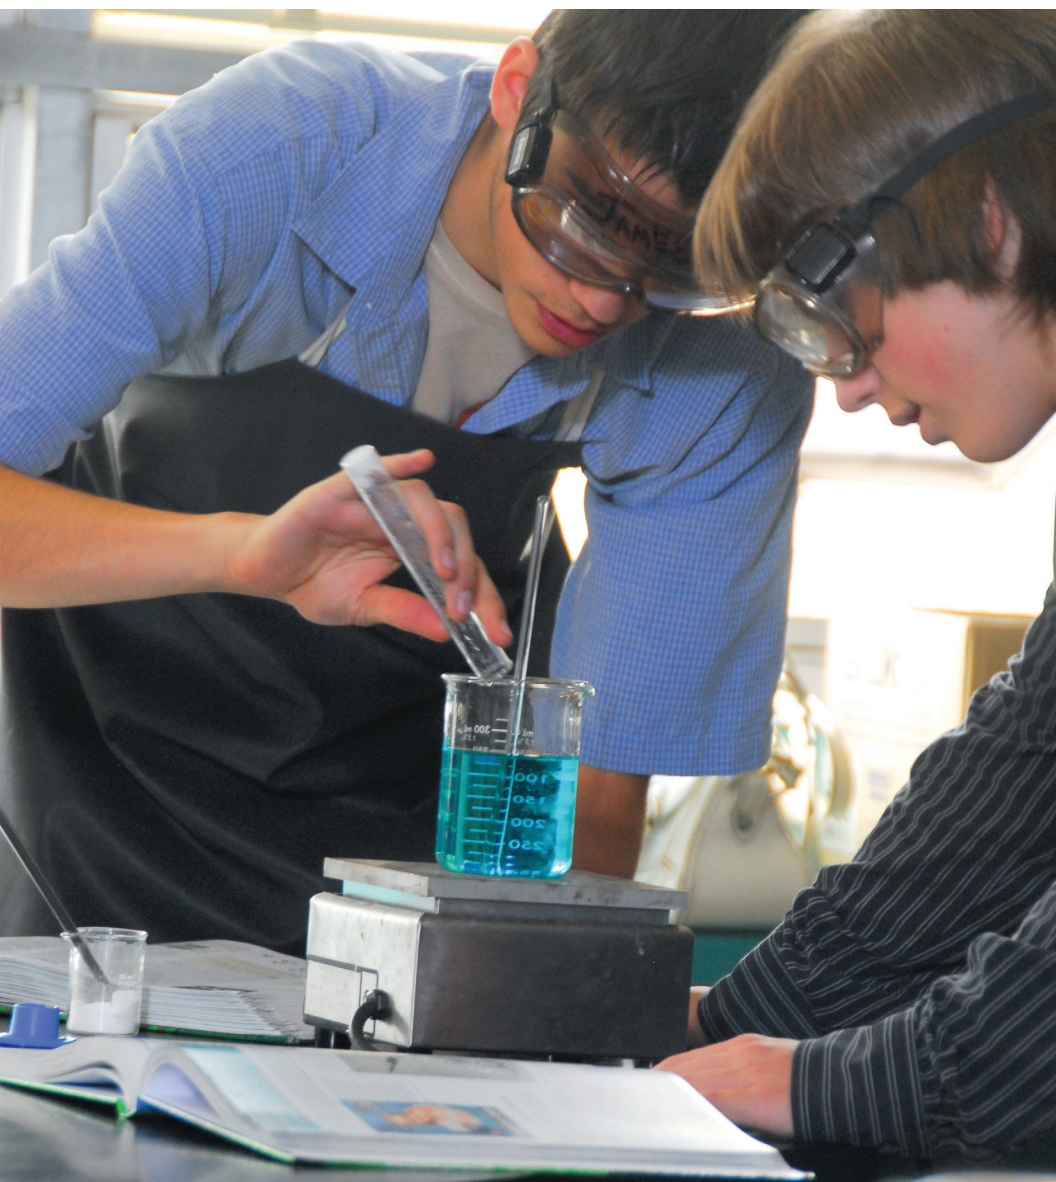

When you have decided where in Alberta you wish to study, school authority staff will find the right school and program for you and give you information about the application process and admission requirements.

School authority staff will also explain the English language learning options available to you and provide orientation sessions to help you adjust quickly.

You can find a list of school authorities at www.studyinalberta.ca.

Once you have been accepted to a school, you will need to apply for a study permit with Immigration, Refugees and Citizenship Canada (IRCC). To learn the steps you will need to follow, please go to www.cic.gc.ca/english/study/study.asp

► **Begin planning early to find the right school, complete the application process and obtain a study permit.**

We look forward
to meeting you.
