

LEADING CURRICULUM LEARNING

FALL 2018 AGENDA

Alberta Education is working in partnership with the Alberta Regional Professional Development Consortia (ARPDC) to co-host Leading Curriculum Learning Workshops.

Workshop Goals

- Build capacity to implement future K–12 curriculum in schools.
- Provide opportunities for system leaders to collaborate with their colleagues.
- Receive feedback relative to directions in new curriculum development and implementation.

Workshop Outcomes

- Provide learning opportunities for system leaders to enable them to build awareness and understanding of the shifts in the new K–12 curriculum in their school authorities.
- Provide learning on the new LearnAlberta.ca for system leaders to become familiar with the new tool to help implement provincial curriculum in a digital format.
- Provide updates from the ARPDC, the Alberta Teachers' Association, and the Alberta Assessment Consortium.
